Halton Hawks FC fully supports the Anti-Doping initiatives of the **Canadian Centre for Ethics in Sport (CCES)**, the **Canadian Anti-Doping Program (CADP)**, Canada Soccer, Ontario Soccer, and FIFA. Club coaches and staff are encouraged to discuss the topic of Anti-Doping with their team and parents.

**The following is taken from Canada Soccer Guide to Safety and Ontario Soccer Governing documents:**

## **The Canadian Anti-Doping Program**

The **Canadian Centre for Ethics in Sport (CCES)** is the custodian of the **Canadian Anti-Doping Program (CADP)** set of rules that govern anti-doping in Canada.

The CADP consists of several components such as in- and out-of-competition testing, education, medical exemptions, and the consequences of doping violations. The CADP is compliant with the World Anti-Doping Code and all international standards.

The Canadian Soccer Association has adopted the CADP which means that you can be confident that you are part of a world-class anti-doping program that is designed to protect athletes' rights and ensure a level playing field. The Canadian Soccer Association's anti-doping policy reflects and supports the CADP.

While the CCES administers anti-doping for the Canadian sport community, you may also be subject to the rules of your international federation. doping policies and procedures.
